

Dear Friend of Eastern Animal Hospital,

We are very proud to announce that Eastern Animal Hospital has created a charitable fund to offer grants to clients who need financial assistance to provide life-saving care for their pets.

All too often, even the best pet owners can find themselves financially unprepared to do what is needed to save their pet and find themselves having to make a heart-wrenching decision if they can't afford treatment.

Of course, as veterinarians and veterinary staff, we love animals first and foremost, and don't want any family to have to make that terrible decision. So, inspired by clients who wanted to help less fortunate owners afford emergency pet care, we've established a charitable fund with the Veterinary Care Foundation.

The Veterinary Care Foundation is a 501(c)(3) charitable foundation and is unique in that 100% of every dollar donated goes directly to veterinary practices. The Foundation never uses charitable contributions for administration, salaries, or fundraising.

For those of you who are in a position to help other less fortunate pet owners, you can donate by clicking on the EAH Care Fund link on the homepage of our website or by completing and returning the form on the bottom of this letter.

Thank you for your generosity. Should you have any questions, please feel free to give us a call.

Sincerely,

Your Dedicated Care Team at
